

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 1, 1995

SUBJECT: **SB 1148 - HB 749**

This bill, if enacted, will provide that if a municipal electric system serves customers in another municipality, the board will be required to add one additional member who is a resident customer from the unincorporated area of the county in which the municipality is located and an additional member who shall be a resident customer of the other county.

The fiscal impact from enactment of this bill is estimated to be an increase in first year local government expenditures for travel and other expenses for any additional board members; however, a reasonable estimate of the increase cannot be determined but is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
